i. that an athlete may win awards in both the overall category and the athlete's age group, if there are such awards in that athlete's age group, or

If (ii) is specified, competitors in the category not selected by the athlete eligible for more than one award shall be advanced in position so that all possible awards in each category are awarded, if there are sufficient numbers of competitors.

2. Other individual prizes, which must be specified on the entry blank, may be presented as determined by the Championship sponsor subject to the approval of the appropriate sport committee of USATF.

**RULE 6**

**GENERAL**

1. USATF Operating Regulation 4 governs bids, bidding procedures, award procedures, selection of dates, rights for broadcast, and financial relations of USATF National Championships.

2. All entries for Championships must be made on the entry form adopted by USATF. No entry form for any Championship shall be distributed until it has been submitted to and approved by the Chair of the sport committee(s) involved and the Chief Executive Officer of USATF. The entry form shall include all pertinent information regarding filing dates, late entries, fees and declaration procedures.

3. The final date for entries to a National Championship shall be designated by the Chair of the sport committee involved. For track and field, this date shall be at least 14 days (outdoors) or 10 days (indoors) prior to the first competition that is part of the Championship. For the National Track & Field Club Championships, this date shall be at least 14 days. A late entry period, if any, shall be designated by the Chair of the sport committee involved.

4. Entry fees and late fees for all Championships shall be established by each sport committee, subject to the approval of USATF; and, unless otherwise provided by its Bylaws, shall be the property of USATF. Entry fees for the National Track & Field Club Championships and all long distance running events are the property of the event.

5. The officials, and the Games and Seeding Committees who are responsible for the conduct of a Championship, shall be appointed by or subject to the approval of the appropriate sport committee(s).
6. Qualifying standards or procedures may be established for Championships and for qualifying competition for international competition by the sport committee concerned.

7. The rights of defending USA Open individual event National champions shall be governed by the following:

(a) Each individual winner of the previous year’s USA Open Championships shall be entitled to receive from the sponsoring organization full expenses to enable the athlete to defend his or her title if, in the opinion of the sport committee concerned, the champion is in condition to defend the title.

(b) Where two or more athletes are co-holders of a Championship, an allotment in an amount equal to the expenses of the co-holder who resides the greatest distance from the city in which the meet or event is being held shall be provided and each co-holder shall receive a pro rata percentage of such allotment, calculated on a mileage basis. Where possible, co-holders should be paid full expenses.

(c) For reasons appearing good and sufficient, the Executive Committee of the sport committee concerned, unless otherwise provided by USATF, by a majority vote of those voting, may suspend or abrogate all requirements or provisions for the payment of expenses of any and all champions as provided for herein.

(d) If funds are available, all individual event winners of the National Track & Field Club Championships shall receive an equal share of such funds.

(e) The sponsoring organization of any Championship, with the approval of the sport committee concerned, may allocate additional funds to other place winners of the previous year’s Championship or for noteworthy performers.

RULE 7
TEAM SCORING

1. Two methods exist for scoring team Championships: scoring by place and scoring by time.

2. The team Championships in Long Distance Running, Race Walking and Masters Cross Country shall be scored by time. The team Championships for Open, Junior and Youth Cross Country shall be scored by place.
3. Scoring by place:

(a) The team score shall be the total of the finishing positions of the scoring members. The team with the lowest total points is the team winner.

(b) Runners of incomplete teams, team entries not declared eligible for team scoring, and unattached or individual competitors will be eliminated from team scoring. Non-scoring declared members of complete teams shall retain their finishing positions and thereby displace other runners.

(c) When separate competitions are conducted simultaneously, each shall be scored independently. Runners on teams not eligible for a given competition will be eliminated from team scoring in that competition.

(d) In the event of a tie between two or more individual runners, each shall score the number of points determined by dividing the total of the finish places by the number of runners who have tied.

4. Scoring by time:

The team score shall be the aggregate time of the scoring members. The team with the lowest aggregate time is the team winner.

5. In team Championships scored by time, if the Games Committee determines that scores for the winning teams cannot be determined because of clock failure or other reasons, team Championships shall be determined by scoring by place.

6. Prior to the start of the event, the team coach or other representative shall declare the team entries eligible for scoring.

7. Whether scoring by time or place:

(a) If a team fails to finish with a complete scoring team, the team members finishing shall be counted as individuals in the race results and shall be eligible to receive individual awards.

(b) Ties between two or more teams shall be resolved by determining which team's last scoring member finished nearest to first place. If the tie still exists, the next-to-last scoring members are compared in the same way, etc.
RULE 8
NON-CHAMPIONSHIP COMPETITIONS

1. So far as possible, the rules for the conduct of Championships shall apply to all other competitions conducted or sanctioned by USATF or any of its Associations.

2. Unless otherwise provided in these rules, age limitations or divisions for Championship competition apply to open events or meets sanctioned or conducted by USATF. In long distance running non-championship events, age divisions may be determined by the Association sport committee or the sponsoring organization.

3. Points for track and field meets shall be scored in accordance with the appropriate provisions of Rules 10 and 11 respectively, except that events not included on the entry blanks, and events (other than novice events) not open to all USATF member athletes shall not count in the scoring for team point trophies. Relay races shall be scored as any other event.

4. When a prize or trophy is awarded for individual high scoring in any meet, points shall be scored in the same manner as points are scored for the team Championships or point trophy in that meet, except that points scored for relay races shall not be counted. In case of a tie, the trophy or prize shall be awarded to the competitor winning the most first places.
